Backstory And Goal

Abbie is writing an article about some of the top-selling mobile apps released in the past year. Using only the clues that follow, help her match each app to its developer, month or release and estimated number of sales.

Remember, as with all grid-based logic puzzles, no option in any category will ever be used more than once. If you get stuck or run into problems, try the "Clear Errors" button to remove any mistakes that might be present on the grid, or the "Hint" button to see the next logical step in the puzzle.
