inf

sister Rosie sometimes feels flattened (by the worries of the world.)

part

She's also a hedgehog, so that explains a lot (of her troubles.)

(~~Running~~ water) can be very calming and help one (to fall ^{inf} asleep.)

(Running hedgehogs) usually have the opposite effect.

(In Pamplona) (during the Feast of San Fermin) bulls run wild
(in the street, in Greenville) (in the summer) hedgehogs run wild
(on the major highways) (through town.)

That (in fact) was the original inspriation (for Sonic the Hedgehog.)

The people (of Pamplona) are jealous (about these hedgehogs) and,
(plotting cultural coup,) hope to replace the (running (of the bulls))
