

## Phrase Identification Practice

Sentence 1		Sentence 2		Sentence 3	
Sentence 4		Sentence 5		Sentence 6	

For each sentence, annotate the phrases you find.

- Put square brackets around each phrase [like this]
- Identify the type of phrase it is.
- Describe what it's doing in the sentence: if it's an adjective phrase, indicate that and show what it's describing; if it's an adverb phrase, do the same; if it is a noun phrase, indicate that and explain what role it's playing in the sentence (subject, object, etc.)
- On the back, write a sentence that uses "running out of the room" as an adjective, includes at least 3 prepositional phrases, and an infinitive phrase of your choice. Label all these things in the sentence.

1. The setting sun glowing with colors of red, purple, and orange fascinated us this evening.
